Moo Moo the Wine Bar + Grill Brisbane is located in the heart of the city near Eagle Street Pier, the Botanical Gardens, and part of the Stamford Plaza Brisbane Hotel complex. Moo Moo the Wine Bar + Grill Brisbane opened in June 2010 in the historical Port Office Building and has quickly become one of Brisbane's favourite venues and indeed, one of Australia's best steak restaurants.

Moo Moo Restaurant Group founders, Steven & Autumn Adams, bought their upmarket steak restaurant concept to Brisbane after 5 successful years on the Gold Coast gaining many awards. Expansion to Brisbane was a natural fit for the group and when approached by Stamford Hotels to take over the space. The venue retains the Heritage charm while also showing modern elements; with large stunning Italian pendants in Moobar; a 12-meter monolithic granite bar top, built in champagne walls and designer furniture. The restaurant boasts 6 balconies, private booths, three stunning private dining rooms along with a beautiful walk in wine cellar and stunning dry ageing display cabinets. Custom design furniture throughout the venue sets the tone for your dining experience, where you can relax in our leather dining chairs, perfect for a long lunch. As you ascend the grand staircase you come to the charcoal grill complete with flames, stunning open kitchen, and the pride of our venue, the amazing dry ageing beef hanging cabinets which houses our most precious of products.

Our friendly Function Manager Kyle Mills is thrilled to assist you in hosting your event and personally ensuring the satisfaction of your guests. He will guide you through the wonderful dining experience options and create a memorable event with you. Whether it's an elegant intimate family dinner celebrating a special occasion or a sole trade business dinner/wedding with all the Additional trimmings ie; canapé service, carvery stations, oyster buffets, drinks packages + 3 Executive courses. Moo Moo the Wine Bar + Grill Brisbane is the perfect place for any function or corporate event!

SERVICE OPTIONS

Our Function Manager looks forward to working with you to create a menu and event to suit your requirements, one that will leave a long lasting memory in the minds of you and your guests

Moo Moo the Wine Bar + Grill Brisbane's house policy states that groups larger than 14 pax are catered to as a function table.

Below are the Function Menu options. These dishes are selected by our Chef and Functions team as they are our most popular items and we are certain you'll enjoy them as much as we do!

Groups of 40 or less may select from the **limited choice menus** on the event

Your guests may choose their entrée, main and dessert from the function menu of your choice, the menu will be printed and set on the table and additional logos and/or celebration messages can be added by request.

Please note groups larger than 25 pax will incur larger wait times as steaks are cooked to request.

Groups larger than 40 pax are offered **Alternate Drop Menu's**, these menus are printed and set on the table, you can make your selection based upon any of our a la carte or function menus and Isaac will cost it according to your selections

The team at Moo Moo the Wine Bar + Grill are very understanding that not every group wants to receive an Alternate Drop Service, so we are flexible and encourage you to communicate your groups dietary requirements and preferences our team so they can make this work best for you and your guests needs. For example, as we are an Award Winning Steak Restaurant we find that most guests would like to try one of our executive steaks, so we often plate more steak main meals and less chicken/fish options, however this can be changed accordingly.
